

## Details for Manuscript Submission

Manuscripts will be published in a Special Issue of Catalysis Today and subject to standard peer review. To submit your manuscript please go to:

<http://ees.elsevier.com/cattod/default.asp>

Click on “submit paper”

Login to Catalysis Today. If you do not currently have an account you will have to submit details to create one.

The image shows the login page of the Catalysis Today website. The header is teal with 'CATALYSIS TODAY' in white. To the right, there are links for 'Contact us' (with an envelope icon) and 'Help ?'. Below the header is a grey navigation bar with links: 'home', 'main menu', 'submit paper', 'guide for authors', 'journal info', 'register', and 'log in'. The main content area is white and contains a login form. The form has a title 'Please Enter the Following' and a link 'Insert Special Character'. There are two input fields: 'Username:' and 'Password:'. Below the input fields are four buttons: 'Author Login', 'Reviewer Login', 'Editor Login', and 'Publisher Login'. At the bottom of the form, there are links: 'Send Username/Password', 'Register Now', and 'Login Help'. The footer of the page says 'Software Copyright © 2012 Aries Systems Corporation.' and 'Version: EES 2011.1.3'.

On New Submissions section, click on “Submit New Manuscript”

The following screen will appear asking you to choose the Article Type. IN the drop down menu please select “SI Article: Operando IV” and proceed with the submission.

## Please Select an Article Type

Selecting an Article Type is Required for Submission.

To submit your manuscript to this journal, you need to complete all submission steps and approve the PDF that the system creates. Please note that submissions that have not been completed will be removed after 90 days. [\[More\]](#)

The Guide for Authors specifies the journal's requirements; a link to this is on the banner above, and will be available throughout the submission process.

**The Journal Catalysis Today publishes Special Issues only.**

**Therefore, only INVITED papers for Special Issues can be submitted to CATTOD.**

**Please do NOT submit a paper if it is not part of a Special issue.**

**Please choose the article type of your manuscript from the pull-down menu: the available article types are specific to individual Special Issues.**

**Please double-check that you submit your paper to the CORRECT Special Issue of CATTOD.**

Elsevier can improve the use of your article by visualising and providing details of the key chemical structures in your article. For this purpose, you will be invited to upload the corresponding MOL files during the submission process. If you would like to benefit from this option, please ensure you have those MOL files available. [More information.](#)
